

Kiko: It's a lovely day here in Repre! Good morning peers and good morning to our dear leaders who are with us here today. We would like to officially welcome you to our 2023 Q1 Town Hall and 2023 Year Starter entitled: A Heartful Celebration!

Nor: A heartfelt indeed, partner! We all know that February is the love month, so today we will start the year full of love in Representments.

Kiko: You are right (Nor). Valentine's Day is just around the corner but we will start the celebration of love today at this very moment. And speaking of LOVE, they say Love isn't something you find, Love is something that finds you. Do you guys agree?
So today, right at this very moment, Love is going to find its way to our hearts. But before we unwrap the rest of the lovely things that are in store for us today, let me introduce myself. I am Kiko, one of your hosts for today. And with me is the lovely...

Nor: I couldn't agree more with the adjective you used, Kiko. Haha. Yes, my name is Nor and I will be co hosting Kiko for today's very special event. Before we start, I just wanna share my love quote for today. They say that the most desired gift of Love is not Diamonds or Roses or Chocolate but it is focused attention. And having said that, we would love for you guys to give us some love and focus your attention on us for the next hour. Okay ba yun guys?

Kiko: With our virtual setup everyday, it is seldom that we get this chance to bond and get together in person as one happy REPRE Family. So let's kick things off by acknowledging all of our teams today. When we call your team names, indulge us with your loudest and loveliest cheers!
